

MARK A. JOHNSON, D.D.S., P.A.

Family Dentistry

Dear New Patient(s):

Thank you so much for choosing our family practice for your oral care needs. We look forward to meeting and getting to know you.

Your initial appointment will consist of a comprehensive oral exam and radiographs, as needed. You will be rescheduled for a thorough cleaning with the dental hygienist or for further treatment with Dr. Johnson. If more extensive care is required, we offer an excellent source of specialty referrals to meet your needs such as orthodontics, oral surgery or gum treatment.

Our office runs on an appointment-only basis. Thus it is very important that you keep your appointment or give 24 hours notice for cancellations. Otherwise, there will be a fee charged for no-shows, with two unexcused broken appointments leading to patient dismissal.

Our payment system is fee-for-service, but we will gladly prepare and file primary insurance for you. Obviously, the patient will be responsible for the co-insurance payment and deductible coverage at the time of service. Individual payment plans, arranged in advance, may be an option for you. However, since we are not a lending institution, only limited options of payment are available.

We pride ourselves in using only the highest standards in sterilization and universal exposure precautions outlined by OSHA and the ADA. We look forward to working with you and welcome any questions you may have.

Thank you again for trusting our office for your dental health care.

Sincerely yours,

Dr. Mark A. Johnson and Staff
